About This Game

Happy World is a game where square characters meet and compete and escape together.
You can play the game with just one "Ball."
It's a game that doesn't have to be serious, controls are simple, and focus isn't necessary.
You just need to be ready to enjoy.
A game that everyone can play.
From single play, it is a multiplayer game.

Game day with developer:
Good to see you.
We're the developers of Happy World.
Our game is not complete yet.
But thank you for buying our game.

I want your opinion to make us a better game.
Also, I want to improve by playing games together.
I'd like you to leave your opinion on the game in the steam store.

So I'm trying to set a game time for us to play together for a certain period of time.
We will be online for **2 hours from 6pm on May 31, 2019.**
Based on European time.
If you connect at this time, you will be able to play games with us.
Steam
I will wait
